

ARSIS LIFTING BAR WITH KICKSTAND

Anthracite & Chrome

048761

PRODUCT DESCRIPTION

The ARSIS aluminium lift-up bar with support stand can be installed in the toilet.

It is equipped with the "assisted descent" function for increased comfort.

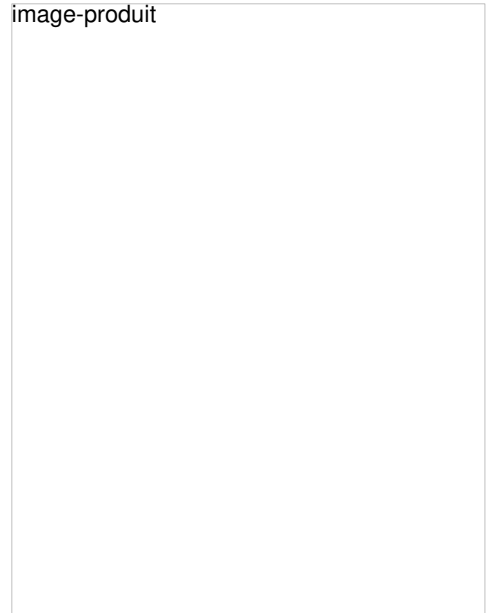

This bar offers an optimal grip thanks to its 38 x 25 mm elliptical tube.

The support stand is positioned and locked automatically and allows for a height adjustment of 5 cm.

For more modularity, this bar can be fixed or removable with the turntable kit sold separately (ref. 044110 or 044113).

The bracket, fixture covers, flanges and joint are made of polymer.
