SOFT STRAIGHT BAR

Grey

049165

PRODUCT DESCRIPTION

The 30 mm diameter SOFT aluminium grab bar can be installed in a shower or bathtub area. It can be positioned vertically, horizontally or 135°.

It allows you to cross the step of a tray or the edge of a bathtub (in an upright position only), to keep your balance in a standing or sitting position, to get up and to transfer from one support to another.

It offers a soft and warm touch thanks to its soft coating.

The bases and fixing covers are made of matt chrome-plated synthetic resin.
