

## TECHNICAL SHEET

# PAPER TOWEL DISPENSER

Matte Black

872094

## PRODUCT DESCRIPTION

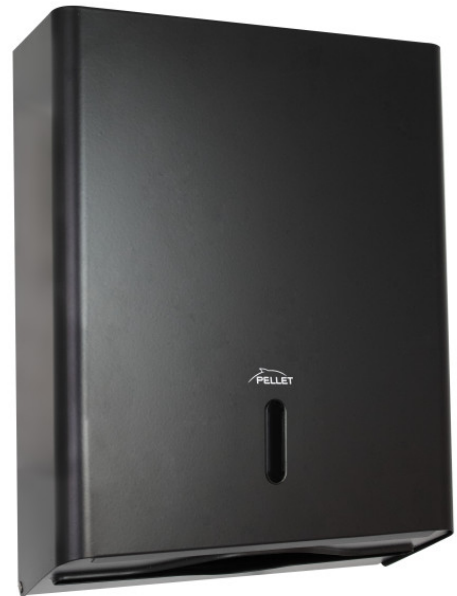

This steel paper towel dispenser is ideal for high-traffic environments like offices, shopping malls, public facilities.

Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination.

It has a lock. It has a capacity of 450 hand towels (Pellet reference associated 870073).

Available in 3 colours (glossy white, matt white and matt black), it will adapt to all needs.

This dispenser should not be installed in chlorinated and bleached environments.

## PRODUCT ADVANTAGES

MADE IN FRANCE
