

## **MAXI TOILET PAPER DISPENSER**

**Satin** 878655

## **PRODUCT DESCRIPTION**

This 304 satin stainless steel toilet paper dispenser is ideal for high-traffic environments such as offices, shopping malls, public facilities.

Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination. Thanks to its large capacity, it requires fewer frequent refills, reducing maintenance time and optimizing the efficiency of cleaning services.

It has a key lock. It is compatible with 350 and 500 m rollers with a diameter of 240 mm (ref. 870180 and 870513).

The mandrel has a diameter of 45 mm.

Elegant and functional, this dispenser is a smart choice to ensure the satisfaction and well-being of users on a daily basis. This dispenser is not suitable for chlorinated and bleached environments.

## **PRODUCT ADVANTAGES**
