

ARSIS REMOVABLE GRAB BAR

Anodized & White

044850

PRODUCT DESCRIPTION

The ARSIS removable grab bar offers great modularity thanks to its ingenious rail fixing system.

The installation of these bars requires the corresponding rail of the same length sold separately (ref. 044240, 044250 or 044260).

Its elliptical aluminium tube Ø 38 x 25 mm guarantees optimal grip.

It comes with the 2 locks.
