

## ARSIS REMOVABLE GRAB BAR

Anodized & Anthracite

044863

### PRODUCT DESCRIPTION

The ARSIS removable grab bar offers great modularity thanks to its ingenious rail fixing system.

The installation of these bars requires the corresponding rail of the same length sold separately (ref. 044240, 044250 or 044260).

Its elliptical aluminium tube  $\varnothing 38 \times 25$  mm guarantees optimal grip.

It comes with the 2 locks.
