

CLASSIC STRAIGHT BAR

White

049130

PRODUCT DESCRIPTION

The CLASSIC 30 mm diameter grab bar in white epoxy aluminium can be installed in a shower or bathtub area.

It can be positioned vertically, horizontally or 135°.

It allows you to cross the step of a tray or the edge of a bathtub (in an upright position only), to keep your balance in a standing or sitting position, to get up and to transfer from one support to another.

The bases and fixing covers are made of polymer.
