

ALUR BATHROBE HOOK

Matte Black

400718

PRODUCT DESCRIPTION

The ALUR bathrobe hook is an elegant and functional accessory.

Made of powder-coated aluminum, this hook combines strength and aesthetics, offering a durable solution for hanging your bathrobes, towels or other bath items.

Powder coating, a powder coating process, gives aluminum a smooth finish that is resistant to scratches, corrosion, and moisture.

Its fastener cover is made of polymer.
