

SQUARE ILLUMINATED MAGNIFYING MIRROR

005580

PRODUCT DESCRIPTION

Perfect for daily beauty and skincare rituals, this mirror is designed to provide clear and precise vision, even in low-light conditions.

Its dual LED lighting ensures a homogeneous and natural light, reducing unwanted shadows and reflections.

The extendable tubular arm up to 265mm in chrome-plated brass brings a sleek and modern touch, while being sturdy and flexible for easy adjustment to your needs.

Thanks to its power supply on 3.6 V Lithium batteries (included), you can use it wherever you are, without worrying about electrical outlets.

Turn your skincare routine into a unique experience with this high-quality magnifying mirror.
