

PAPER TOWEL DISPENSER

Matte Black

872098

PRODUCT DESCRIPTION

This paper towel dispenser is ideal for high-traffic environments like offices, shopping malls, public facilities.

Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination.

Thanks to its large capacity, it requires fewer frequent refills, reducing maintenance time and optimizing the efficiency of cleaning services.

It has an ABS cover and a lock. It has a capacity of 400 to 600 hand towels (Pellet reference associated with 870073).

Made from recycled plastic, this dispenser is a smart choice to ensure user satisfaction and well-being on a daily basis.

It is available in 2 versions: matte black and white.
