

MINI TOILET PAPER DISPENSER

Matte Black

872530

PRODUCT DESCRIPTION

This steel toilet paper dispenser is ideal for high-traffic environments such as offices, shopping malls, public facilities. Its robust and secure design ensures easy and hygienic paper dispensing while minimizing the risk of cross-contamination.

It has a key lock. It is compatible with the 170 mm diameter 190 mm roller (ref. 870190).

The mandrel has a diameter of 45 mm. Available in 3 colours (glossy white, matt white and matt black), it will adapt to all needs.

This dispenser should not be installed in chlorinated and bleached environments.
