

FRÉJUS WASHBASIN

White

052617

PRODUCT DESCRIPTION

The FRÉJUS washbasin is an angled piece of equipment adapted for people with reduced mobility (PRM) ideal for shared spaces, combining design and functionality. It is made of composite material, a mixture of marble powder and synthetic resin (meeting the NF EN 14688 standard). Its smooth, non-porous Gel-Coat coating ensures ease of cleaning and resistance to scratches and temperatures up to 95°. It is equipped with a front skirt and a splash guard. This model is available with or without overflow, and you have the choice to add a hole for the faucet on the right, left or opt for it without a hole, depending on your preferences when ordering. This washbasin countertop can be ordered without the rear shelf, giving you even more flexibility. It is sold without taps or drain drains, giving you the freedom to choose the accessories that suit your needs and style.
